Subject: Invitation to APPPC Training Workshop on Management and Application of Bio-Pesticides

Dear Ms. Yan Li,

It is with great pleasure that we extend our warm invitation to you to participate in the upcoming **APPPC Training Workshop on Management and Application of Bio-Pesticides**. The workshop is scheduled to be held from 18th to 22nd March 2024 in Kathmandu, Nepal. This collaborative effort is being organized by the Asia-Pacific Plant Protection Commission (APPPC) and the Plant Quarantine and Pesticide Management Centre (PQPMC), Nepal. The primary objective of this workshop is to enhance participants' knowledge and skills in the effective management and application of bio-pesticides for sustainable pest control in agriculture. The workshop aims to exchange knowledge and experience among APPPC countries on the registration and management of bio-pesticides. It is being hosted by the government of Nepal with co-host from the government of the People's Republic of China through the Institute for Control of Agrochemicals, Ministry of Agriculture and Rural Affairs (ICAMA) and the Institute of Plant Protection (IPP), Chinese Academy of Agricultural Sciences (CAAS), in collaboration with the APPPC Secretariat. In order to encourage the use and adoption of bio-pesticides in the Asia and Pacific region, it will additionally provide updates on innovative techniques in this field as well.

The program will include interactive sessions, practical demonstrations, and case studies to provide participants with a comprehensive understanding of bio-pesticide management. We look forward to your active participation and contribution to making this workshop a success. Your involvement will undoubtedly enrich the discussions and contribute to the overall success of the event.
